South Holland Concerts

We are delighted to announce our 28th season of concerts, to be held at the South Holland Centre. Again we are proud to feature some of the finest professional musicians working in the country today. We hope we have something for everyone.

Our concerts are relaxed events, where you can also enjoy the company of friends and meet other members of the audience over a coffee or glass of wine in the interval.

Why not take advantage of our money-saving Subscription membership this year? Full details are enclosed in this brochure.

There is ample parking nearby in Herring Lane and Vine Street car parks. These are just a few minutes' walk from the Centre.
