We are delighted to announce our 33<sup>rd</sup> season of concerts at the South Holland Centre, and are proud to feature some of the finest professional musicians in the country today. We hope that we have programmed something for everyone. Our concerts are relaxed events where we hope you will also enjoy the company of friends over a coffee or a glass of wine in the interval.

Why not take the advantage of our money-saving Subscription membership this year? Full details can be found under 'How To Book' in this brochure. There is ample parking nearby at the Herring Lane and Vine Street car parks. These are just a few minutes' walk from the Centre.
